The Mission of the Arts and Humanities Council of Montgomery County

The Arts and Humanities Council of Montgomery County (AHC MC), in partnership with the community cultivates and supports excellence in the arts and the humanities, expands access to cultural expression, and contributes to economic vitality in the region.

Introduction

Advancement Grants for Arts and Humanities Organizations are available to non-profit arts and humanities organizations located in Montgomery County, MD, that have annual cash expenses of at least \$50,000. FY20 *Advancement Grants* cover activities occurring from July 1, 2019 through June 30, 2020. The award amounts for *Advancement Grants* range from \$10,000 to \$100,000. **Organizations applying for more than \$25,000 MUST submit their FY18 audit.** Grant awards support organizations that work in a wide array of arts disciplines including performing arts, media arts, visual arts, literary arts, folk and traditional arts. Grants also provide funding for the humanities, including history, literature, and philosophy.

AHC MC encourages proposals submitted by African, Latino(a), Asian, Arab, and Native American (ALAANA) arts and humanities organizations.

Purpose

By providing *Advancement Grants*, AHC MC aims to:

- Assist arts and humanities organizations in maintaining fiscal stability and long-term viability; and
- Support arts and humanities organizations in their long-term planning, planning for capital improvement projects, and technology improvements critical to their mission.

Grants will be awarded for use beginning on July 1, 2019 through June 30, 2020. The amount awarded for *Advancement Grants* range from \$10,000 to \$100,000. Grant awards will be determined based on a competitive process that includes review by an advisory panel. The panel will evaluate the applications based on the criteria contained in these guidelines. **Organizations may apply for either an AHC MC *Advancement Grant* or a *Capital Improvement Grant*, not both within the same fiscal year.**

Eligibility Requirements

An organization is eligible to apply for an FY20 *Advancement Grant* if the applicant has met all of the criteria below for the previous three consecutive fiscal years. These requirements must be met prior to the application deadline:

- The applicant's mission includes the exhibition, presentation, production or performance of the arts / humanities; and/or the applicant's mission includes educating the public about the arts and/or humanities; and /or the applicant provides support services to artists and/or scholars and/or humanities organizations.

- The applicant has a balanced budget and annual documented cash operating expenses of no less than \$50,000. (Please see the definition of operating expenses within the Eligible Budget Requirement section on page 4).
- The applicant demonstrates 501(c)(3) status through one of the following ways:
 - The applicant has IRS code 501(c)(3) status;
 - The applicant operates as a specific arts and/or humanities entity or division within a larger 501(c)(3) organization whose primary mission is not arts or humanities based; or
 - The applicant has a Montgomery County-based fiscal sponsor¹ with current 501(c)(3) status, whose primary mission is not arts and/or humanities based. The fiscal sponsor has been a non-profit entity in Montgomery County for at least the previous three consecutive fiscal years.

¹ Fiscal sponsorship is a formal arrangement in which a 501(c)(3) public charity sponsors a project that may lack exempt status. This alternative to starting your own nonprofit allows you to seek grants and solicit tax-deductible donations under your sponsor's exempt status.
