The Mission of the Arts & Humanities Council of Montgomery County

The Arts & Humanities Council of Montgomery County (AHCRC), in partnership with the community, cultivates and supports excellence in the arts and the humanities, expands access to cultural expression, and contributes to economic vitality in the region.

Equity & Inclusion

With the acknowledgment and understanding that access to resources has been historically limited for certain groups of people, AHCRC is committed to cultural equity within all funding activities and to serving communities that have been traditionally underrepresented in mainstream funding, discourse, leadership, and resource allocation including, but not limited to, Black, Indigenous, Native American, Latinx, Chicax, Arab, MENASA (Middle Eastern, North African, South Asian), Asian, Pacific Islander, and other communities of color, socio-economically disadvantaged communities, differently abled individuals and/or people with disabilities, and Two-Spirit, Lesbian, Gay, Bisexual, Transgender, Queer, Intersex, and Asexual constituents. AHCRC recognizes that language is fluid, and the intersectional justice movement is redefining terminology regularly. This list is not exhaustive and will be updated periodically as language continues to shift over time.

ADA Compliance

Funded programming and the workspaces for staff, contractors, and volunteers should be accessible to differently-abled individuals and/or people with disabilities. AHCRC encourages applicants to consider physical and programmatic accessibility as an integral part of the project planning and budgeting process. Applicants may include the cost of access accommodations as part of their project’s budget, for example, sign interpreters, audio describers, etc. [Click here for tips for how to implement project accessibility.](#)

AHCMC staff make every effort to ensure that the panel is diverse in all respects.

AHCMC staff review applications for eligibility and completeness, but do not score. Staff manage all administrative and logistical tasks necessary to conduct a successful panel review, provide panelists all documentation necessary to evaluate applications effectively, inform the panel in matters of AHCMC policy and procedures, and facilitate panel meetings. Panelists are provided with the eligible applications and support materials approximately four weeks prior to the panel review meeting to allow sufficient time for their evaluation. All eligible applications are evaluated based on the following AHCMC Evaluative Criteria: Effectiveness of Project, Quality of Management, and Appropriateness of Budget (described in detail below).

The panel convenes to discuss and provide scores for each application. Panel meetings are open to applicants who wish to observe; however, applicants are not permitted to make any comments or participate in any way at the panel meeting. Applicants may not contact panelists before or after the panel meeting regarding their application review. Once the application deadline has passed and the panel has received the application for review, AHCMC staff will not forward updates from the applicant to the panel.

AHCMC staff use the applicant’s panel score to calculate and recommend grant award amounts to

AHCMC's Grants Committee. The Grants Committee reviews and revises the grant awards as necessary and forwards their recommendations to the AHCMC Board of Directors. The Board of Directors has final authority to approve or decline all grant awards.

Panel scores and comments are available to all applicants upon request after the award notifications have been publicly announced. Applicants are **highly encouraged** to schedule a feedback appointment to review panel scores and comments by contacting Karen Judson, Grants Manager, at (301) 565-3804, or Karen.Judson@creativemoco.com.
