Montgomery County Public Schools
FARMS Rates from *Schools at a Glance 2017-2018*

The Schools at a Glance page demonstrates that the residency will take place at a school with a school wide FARMS rate greater than 35%, OR serve students within a clearly defined program that serves ESOL students or students with disabilities.

The defined program must be listed on the school's MCPS "Schools at a Glance" page, located here.

If the applicant is not a public school, please provide information that is comparable to that found on the MCPS website, including the FARMS and ESOL rate for the school.
